Australian Terrorism Insurance Act

The Insurer has treated this insurance (or part of it) as an insurance to which the Australian Terrorism Insurance Act 2003 (ATIA) applies.

ATIA and the supporting regulations made under the Act deem cover into certain policies and provide that the Terrorism Exclusion to which this Policy is subject shall not apply to any "eligible terrorism loss" as defined in ATIA.

Any coverage established by ATIA is only in respect of any "eligible terrorism loss" resulting from a "terrorist act" which is a "declared terrorist incident" as defined in ATIA. The Terrorism Exclusion to which this Policy is subject applies in full force and effect to any other loss and any act or event that is not a "declared terrorist incident".

All other terms, conditions, insurance coverage and exclusions of this Policy including applicable limits and excesses remain unchanged.

If the Insurer has reinsured this insurance with the Australian Reinsurance Pool Corporation, then any such Insurers will not be liable for any amounts for which they are not responsible under the terms of ATIA due to the application of a "reduction percentage" as defined in ATIA which results in a cap on the Insurer's liability for payment for "eligible terrorism losses".

(i) Buildings of Architectural and Historic Interest

In consideration of the architectural features or structural materials of any building(s) insured under this Policy possessing a particularly ornamental, antiquarian or historical character or in consideration of the architectural features now being outdated or the materials not being readily available or in consideration of the said building(s) now being too large for the needs of the Insured, it is agreed that in the event of that building being damaged and the amount of such damage exceeds the declared value of the said building(s), the basis upon which the amount payable under this Policy is to be calculated shall be the cost of erecting a similar type of building of current design and modern materials but not necessarily as large as the damaged building and it is further agreed that the declared value has been based accordingly. Subject to the following special provisions and subject also to the terms and conditions of this Policy except insofar as the same may be varied hereby:

Special Provisions

1. In no case shall the Insurers' liability under this memorandum exceed the amount which would have been payable in erecting a new building in the same condition, size and style as the damaged building when new.

2. The work of erecting a new building (which may be carried out upon another site or sites and in any manner suitable to the requirements of the Insured but subject to the liability of the Insurer not being thereby increased) must be commenced and carried out with reasonable despatch, failing which the Insurer shall not be liable to make any payment beyond the amount which would have been payable under this Policy if this memorandum had not been incorporated therein.

3. When any building insured under this memorandum sustains damage and where the amount of such damage is less than the declared value of that building, the rights and liabilities of the Insurer and the Insured in respect of such damage shall be subject to the terms and conditions of this Policy, as if this memorandum had not been incorporated therein.
4. No payment beyond the amount which would have been payable under this Policy if this memorandum had not been incorporated therein shall be made until a sum equal to the cost of erecting the new building (as defined in the first paragraph of this memorandum) shall have been actually incurred.
5. All other insurances covering the property insured affected by or on behalf of the Insured shall be on a similar reinstatement basis.

Provided that this memorandum shall not apply to any building registered for preservation under any National or State Act.

MEMORANDA TO SECTION 1

Except to the extent that this Policy is hereby modified under the following Memoranda the terms, conditions and limitations of this Policy shall apply.

Abandoned Undamaged Portion of a Building

If any building is damaged and due to the exercise of statutory powers or delegated legislation or authority by any government department, local government or other statutory Authority, reinstatement of such building is carried out upon another site, then the abandoned undamaged portion of such building shall be deemed to have been destroyed; provided that if the presence of such abandoned undamaged portion of the building increases the sale value of the original site, the increase in sale value shall be regarded as salvage and the amount thereof shall be payable to the Insurer by the Insured upon completion of any sale of the site or shall be deducted from the total amount otherwise payable by the Insurer under this Policy, whichever shall occur later.

All differences relating to the amount of such increase in site value shall forthwith be referred to the decision of two registered valuers; one to be appointed by each of the parties to this Policy. If the two valuers do not agree, their differences shall be referred to the decision of a third valuer, appointed by the President of the Australian Institute of Valuers as an expert, whose decision shall be binding.

Application of Deductibles/Excesses

Deductibles/Excesses shall apply to the Limits and Sub-Limits of Liability in accordance with the Schedule but the Limits and Sub-Limits of Liability shall only be applied in excess of the relevant deductible/excess.

Branded Goods

Any salvage of branded goods and/or merchandise, the Insured's own or held by the Insured in trust or on commission, and/or goods sold but not delivered, shall not be disposed of by sale without the consent of the Insured. If such salvage is not disposed of by sale then the damage will be assessed at the value agreed between the Insured and the Insurer after brands, labels or names have been removed by or on behalf of the Insured.

Co-insurance/Average/Under-insurance

Unless otherwise stated herein to the contrary, this Policy is subject to the following Co-insurance memorandum:

The Insured is required to insure for full value calculated in accordance with the appropriate Basis of Settlement Clauses, as at the commencement of the Period of Insurance and, in relation to any property insured acquired after the commencement of the Period of Insurance, as at the time of acquisition of that property.

In the event of a claim, the moneys otherwise payable under Section 1 of this Policy shall be the proportion that the Insured's declaration at the time of the commencement of the Period of Insurance of the value of all property insured at the Situation to which the damaged item or items belong bears to 80% of the value of all such property as at the time of the commencement of the Period of Insurance calculated in accordance with the appropriate Basis of Settlement Clauses.

This Memorandum shall not apply if the amount of the damage does not exceed 10% of the amount of the Insured's declaration of value for that Situation.

This Co-Insurance Memorandum shall not apply to any claim for Burglary/Theft or Money to which a Sub-Limit(s) of Liability has been stated in the Schedule.

For the purpose of the application of this Memorandum, the Insured's Declared Values at any Situation shall not include any allowance for Extra / Additional Costs of Reinstatement.

Declared Values

The Schedule of Declared Values at each Situation (in accordance with the applicable Basis of Settlement) attaches to and forms part of this Policy for the purpose of the application of Co-insurance.

If asset movements between Situations used by the Insured have resulted in an under-declaration of value(s) at a Situation and an offsetting over-declaration of value(s) at one or more other Situation(s), then such factors shall be taken into account when calculating the test for the application of Co-insurance.

Declared values shall not include any allowance for Extra Cost of Reinstatement nor any of the costs and expenses referred to under any of the clauses, of 'The Indemnity'.

Extra / Additional Costs of Reinstatement

(Applicable to buildings, machinery, plant and all other property and contents; other than those specified in items (b) to (m) under Basis of Settlement).

This Policy extends to include the extra / additional costs of reinstatement (including demolition or dismantling) of the damaged property necessarily incurred to comply with the requirements of any Act of Parliament or Regulation made thereunder or any By-Law or Regulation of any Municipal or other Statutory Authority; subject to the following Provisions and subject also to the terms, Conditions and Limit(s) or Sub-Limit(s) of Liability of this Policy.

Provisions

- (i) The work of reinstatement (which may be carried out wholly or partially upon any other site(s), subject to the liability of the Insurer not being thereby increased, must be commenced and carried out with reasonable despatch, failing which the Insurer shall not be liable to make any payment beyond the amount which would have been payable under this Policy if this memorandum had not been incorporated herein.
- (ii) The amount recoverable shall not include the additional cost incurred in complying with any such Act, Regulation, By-Law or requirement with which the Insured had been required to comply prior to the happening of the damage.

- (iii) Co-insurance shall not be applied to the amount recoverable under this memorandum and any amount specified shall not be taken into account for co-insurance purposes in terms set out in any clause contained in this Policy.
- (iv) All other Industrial Special Risks and/or Fire and Named Perils insurances covering the property affected by or on behalf of the Insured shall be on a similar basis.
- (v) If the cost of reinstatement of the damaged property insured is less than fifty per cent (50%) of that which would have been the cost of reinstatement if such property had been destroyed, the amount recoverable shall be limited to:
 - (a) the extra / additional cost necessarily incurred in reinstating only that portion damaged; or
 - (b) whilst applying to such property insured, the Sub Limit stated herein,
 whichever is the greater.

The Liability of the Insurer shall not exceed the Sub-Limit of Liability shown in the Schedule against Extra / Additional Costs of Reinstatement.

Floor Space Ratio Index (Plot Ratio)

Subject to the terms, Conditions and Limit(s) or Sub-Limit(s) of Liability of this Policy, if any building(s) being property insured is/are damaged and the cost of reinstatement is more than 50% of the cost of reinstatement if the building(s) had been totally destroyed and as a result of the exercise of statutory powers and/or authority by any Government Departments, Local Government or any other Statutory Authorities reinstatement of such building(s) as before is prohibited and reinstatement is only permissible subject to a reduced floor space ratio index:-

the Insurer agrees to pay in addition to any amount payable on reinstatement of the such building(s) the difference between:-

- (a) the actual cost of reinstatement incurred in accordance with the reduced floor space ratio index and
- (b) the cost of reinstatement which would have been incurred had a reduced floor space ratio index not been applicable.

In arriving at the amount payable under (a) and (b) above any payments made by the Insurer shall include the extra cost of reinstatement, including demolition or dismantling of the property insured, necessarily incurred to comply with the requirements of any Act of Parliament or Regulation made thereunder or any By-Law or Regulation of any Municipal or other Statutory Authority.

Any payment made for the difference between (a) and (b) above shall be made as soon as the said difference is ascertained upon completion of the rebuilding works and certified by the architect acting on behalf of the Insured in the reinstatement of the building(s).

Loss of Land Value

Notwithstanding the provisions of Perils Exclusion 9 and Property Exclusion 8:

- (a) in the event of the absolute refusal by the competent local or government Authority to allow the reconstruction of the Premises following damage, the Insurer shall pay by way of indemnity the amount of excess of the Land Value before the damage to improvements, over the Land Value after, the damage to improvements; or
- (b) in the event of the competent local or government Authority allowing only partial reconstruction of the Premises after damage, the Insurer shall pay by way of indemnity the deficiency between the Land Value after such reconstruction and the Land Value before the damage;

less any sum paid by way of compensation by such Authority arising out of the action referred to in (a) or (b) above.

The liability of the Insurer shall not exceed the Schedule against this item in the Sub-Limit of Liability.

Special Conditions

1. Settlement shall be made following the ruling of the competent local or government Authority resulting in the loss of Land Value. Should settlement have been made, however, and subsequently the ruling of the competent local or government Authority be changed prior to completion of the reconstruction, resulting in an increase in the Land Value, that part of the claim paid in excess of the revised Land Value shall be refunded to the Insurer.
2. All differences relating to the Land Value arising out of this Policy shall forthwith be referred to the decision of two registered valuers; one to be appointed by each of the parties and in case the two registered valuers do not agree, of a third valuer, appointed by the President of the Australian Institute of Valuers as an expert, whose decision shall be binding.

Pecuniary or Economic Interest

The insurable interest of only those lessors, financiers, trustees, mortgagees, owners, and all other parties specifically noted in the records of the Insured shall be automatically included without notification or specification; the nature and extent of such interest to be disclosed in event of damage.

Where the insurance covers the interest of more than one party, any act or neglect of an individual party will not prejudice the rights of the remaining party/parties, provided the remaining party/parties shall immediately, on becoming aware of any act or neglect whereby the risk of damage has increased, give notice in writing to the Insurer and on demand pay such reasonable additional premium as the Insurer may require.

Notwithstanding the foregoing paragraph it is understood and agreed that, in the event of any of the parties referred

to herein being entitled to the benefits of any 'Concessions Agreement', which it may have entered into with the Insurer, the said 'Concessions Agreement' will take precedence over the foregoing paragraph.

Reinstatement or Replacement

Applicable to buildings, machinery, plant and all other property and contents; other than those specified in items (b) to (j) under Basis of Settlement.

The basis upon which the amount payable is to be calculated shall be the cost of reinstatement of the damaged property insured at the time of its reinstatement, subject to the following Provisions and subject also to the terms, Conditions and Limit(s) or Sub-Limit(s) of Liability of this Policy.

For the purpose of the insurance under this memorandum, 'reinstatement' shall mean:

- (a) Where property is lost or destroyed; in the case of a building, the rebuilding thereof, or in the case of property other than a building, the replacement thereof, by similar property: in either case in a condition equal to but not better or more extensive than its condition when new.
- (b) Where property is damaged the repair of the damage and the restoration of the damaged portion of the property to a condition substantially the same as but not better or more extensive than its condition when new.

Provisions

- (i) The work of rebuilding, replacing, repairing or restoring, as the case may be (which may be carried out wholly or partially upon any other sites and in any manner suitable to the requirements of the Insured, but subject to the liability of the Insurer not being thereby increased), must be commenced and carried out with reasonable despatch, failing which the Insurer shall not be liable to make any payment greater than the Indemnity Value of the damaged property at the time of the happening of the damage.
- (ii) When any property insured to which this memorandum applies is damaged in part only, the liability of the Insurer shall not exceed the sum representing the cost which the Insurer could have been called upon to pay for reinstatement if such property had been wholly destroyed.
- (iii) No payment beyond the amount which would have been payable under this Policy if this memorandum had not been incorporated herein shall be made until a sum equal to the cost of reinstatement shall have been actually incurred; provided that where the Insured reinstates or replaces any lost or destroyed property at a cost which is less than the cost of reinstatement (as defined) but greater than the value of such property at the time of the happening of its loss or destruction, then the cost so incurred shall be deemed to be the cost of reinstatement.
- (iv) All other Industrial Special Risks and/or Fire and Named Perils insurances covering the property affected by or on behalf of the Insured shall be on a similar reinstatement basis.

- (v) If the Insured elects to reinstate destroyed property with dissimilar property whether or not to be used for a similar purpose as the destroyed property, the Insurer shall pay the lesser of:

- (a) the cost of the dissimilar property; or
- (b) an amount equal to the replacement cost that would have been payable if the destroyed property had been reinstated by similar property in a condition equal to but not better or more extensive than its condition when new.

Reinstatement of Damage by the Insured

If the Insured shall, after obtaining the consent of the Insurer, reinstate damaged property insured, the Insurer shall pay the cost of such reinstatement including the value of labour and other overhead charges expended thereon together with a reasonable margin for profit. The liability of the Insurer shall not exceed the amount that would otherwise have been payable hereunder had such reinstatement been carried out by outside contractors.

Undamaged Ancillary and/or Peripheral Equipment

If plant and/or machinery is destroyed and its ancillary and/or peripheral equipment is not destroyed but, upon replacement of the destroyed plant and/or machinery, the ancillary and/or peripheral equipment is rendered superfluous, then such equipment shall be deemed to be destroyed and its salvage value shall be payable to the Insurer by the Insured upon completion of any sale, or shall be deducted from the total amount otherwise payable by the Insurer under the policy, whichever shall occur later.

Undamaged Foundations

When property insured is damaged but its foundations are not destroyed and, due to the exercising of statutory powers or delegated legislation or authority by any government department, local government or other statutory Authority, reinstatement, of the property insured is carried out upon another site or sites, then the abandoned foundations shall be deemed to have been destroyed. If the presence of the abandoned foundations increases the sale value of the original site, then such increase shall be regarded as salvage and shall be payable to the Insurer by the Insured upon completion of the sale or shall be deducted from the total amount otherwise payable by the Insurer under this Policy, whichever shall occur later.

All differences relating to the amount of such increase in site value shall forthwith be referred to the decision of two registered valuers; one to be appointed by each of the parties to this Policy. If the two valuers fail to agree, their differences shall be referred to the decision of a third valuer, appointed by the President of the Australian Institute of Valuers as an expert, whose decision shall be binding.

The term 'foundations' shall be deemed to include services, such as but not limited to conduits, pipes, cables and wiring, which are built in to footings, foundations or concrete floor slabs.

SECTION 2 – CONSEQUENTIAL LOSS

The Indemnity

In the event of any building or any other property or any part thereof used by the Insured at the Situation for the purpose of the Business being physically lost, destroyed or damaged by any cause or event not hereinafter excluded (loss, destruction or damage so caused being hereinafter termed 'damage') and the Business carried on by the Insured being in consequence thereof interrupted or interfered with, the Insurer will, subject to the provisions of this Policy including the limitation on the Insurer liability, pay to the Insured the amount of loss resulting from such interruption or interference in accordance with the applicable Basis of Settlement.

Provided that the Insurer will not be liable for any loss under this Section unless the Insured's property lost, destroyed or damaged is insured against such damage (loss arising out of destruction or damage by the explosion, implosion, rupture, collapse, bursting, racking or overheating of any boiler, economiser or other pressure vessel, including pipes, valves and other apparatus forming part of any of these and in respect of any of which a certificate is required to be issued under the terms of any statute or regulation being excepted from this provision) and the Insurer by which such property is insured shall have paid for or admitted liability in respect of such damage unless no such payment shall have been made or liability shall not have been admitted therefore solely owing to the operation of a provision in such insurance excluding liability for loss below a specific amount.

Basis of Settlement

For Item No.s 2, 4, 5, 6, 7, 8, 9, 10, 11 and 12, the liability of the Insurer shall not exceed the Sub-Limit of Liability shown in the Schedule.

Provided that the insurance under Item No.s 2, 4, 5, 6, 7, 8 and 9 shall not be subject to the application of any Co-insurance Memorandum.

Item No. 1 - Gross Profit

The insurance under this item is limited to actual loss of Gross Profit due to: (a) Reduction in Turnover and (b) Increase in Cost of Working and the amount payable as indemnity thereunder shall be:

- (a) **In respect of Reduction in Turnover:**
the sum produced by applying the Rate of Gross Profit to the amount by which the Turnover during the Indemnity Period shall, in consequence of the damage, fall short of the Standard Turnover; and
- (b) **In respect of Increase in Cost of Working:**
the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the reduction in Turnover which, but for that expenditure would have taken place during the Indemnity Period in consequence of the damage, but not exceeding the sum produced by applying the Rate of Gross Profit to the amount of the reduction thereby avoided;

less any sum saved during the Indemnity Period in respect of such of the charges and expenses of the

Business payable out of Gross Profit as may cease or be reduced in consequence of the damage. Provided that if the estimated value of Gross Profit declared at the commencement of the Period of Insurance is less than eighty per cent (80%) of the sum produced by applying the Rate of Gross Profit to the Annual Turnover (appropriately increased if the Indemnity Period exceeds twelve months) which would have been achieved if the damage had occurred on the day of commencement of the Period of Insurance, the amount payable hereunder shall be proportionately reduced.

This provision shall not apply if the amount of the loss does not exceed ten per cent (10%) of the estimated value of Gross Profit declared at the commencement of the Period of Insurance.

Item No. 2 - Claims Preparation Costs

The insurance under this item is to cover such reasonable professional fees as may be payable by the Insured, and such other reasonable expenses necessarily incurred by the Insured and not otherwise recoverable, for the preparation of claims under the Insured's Material Damage and Consequential Loss insurance policies and the Insurer shall indemnify the Insured for such reasonable fees and expenses.

Item No. 3 - Payroll

The insurance under this item is limited to loss in respect of Payroll and the amount payable as indemnity thereunder shall be:

- (a) **In respect of Reduction of Turnover:**
- (i) during the portion of the Indemnity Period beginning with the occurrence of the damage and ending not later than the number of weeks thereafter specified in the Schedule: the sum produced by applying the Rate of Payroll to the Shortage in Turnover during the said portion of the Indemnity Period less any saving during the said portion of the Indemnity Period, through reduction in consequence of the damage, in the amount of Payroll paid.
- (ii) during the remaining portion of the Indemnity Period: the sum produced by applying the Rate of Payroll to the Shortage in Turnover during the said remaining portion of the Indemnity Period less any saving during the said remaining portion of the Indemnity Period, through reduction in consequence of the damage, in the amount of Payroll paid; but not exceeding the sum produced by applying the percentage of the Rate of Payroll specified in the Schedule to the Shortage in Turnover during the said remaining portion of the Indemnity Period, increased by such amount as is deducted for savings under the terms of Clause (a)(i).

Note:

At the option of the Insured the number of weeks referred to in Clause (a) (i) above may be increased to the number of weeks specified in the Schedule under the heading 'Consolidated Period' provided that the amount arrived at under the provisions of Clause (a) (ii) shall not exceed such amount as is deducted under Clause (a) (i) for savings effected during the said increased number of weeks.

(b) In respect of Increase in Cost of Working

So much of the additional expenditure described in clause (b) of Item 1 as exceeds the amount payable thereunder, but not more than the additional amount which would have been payable in respect of Reduction in Turnover under the provisions of clauses (a)(i) and (ii) of this item had such expenditure not been incurred.

Provided that if the estimated value of Insured Pay-Roll declared at the commencement of the Period of Insurance is less than eighty per cent (80%) of the sum produced by applying the Pay-Roll Limits set out in the Schedule to the amount produced by applying the Rate of Pay-Roll to the Annual Turnover (appropriately increased if the Indemnity Period exceeds twelve months) which would have been achieved if the damage had occurred on the day of commencement of the Period of Insurance, the amount payable hereunder shall be proportionately reduced.

This provision shall not apply if the amount of the loss does not exceed ten per cent (10%) of the estimated value of Insured Pay-Roll declared at the commencement of the Period of Insurance.

Item No. 4 - Additional Increased Cost of Working

The Insurance under this item is limited to increase in cost of working (not otherwise recoverable hereunder) necessarily and reasonably incurred during the Indemnity Period in consequence of the damage for the purpose of avoiding or diminishing the reduction in Turnover and/or resuming and/or maintaining normal business operations and/or services.

Item No. 5 - Accommodation Bonds - Interest Costs

The Insurance under this item is limited to the loss of interest payable to the Insured from Accommodation Bonds paid back to residents in consequence of the damage. The amount payable as Indemnity hereunder shall be the amount of interest which would have been reasonably earned on Accommodation Bonds during the Indemnity Period had the damage not occurred.

Item No. 6 - Accommodation Bonds - Refinancing Costs

The insurance under this item is limited to additional interest payments and cost incurred in connection with refinancing the capital necessary to refund Accommodation Bonds and/or entry fees paid to residents which you are contractually required to refund under the terms of any occupancy agreement in consequence of the damage.

Item No. 7 - Accounts Receivable

The insurance under this item is limited to the loss sustained by the Insured in respect of all outstanding debit balances if the Insured is unable to effect collection thereof as a direct result of damage to records of accounts receivable.

The Insurer will also pay:

- (i) interest charges at the Reserve Bank of Australia rates on any loan to offset impaired collections pending repayment of such amounts rendered uncollectible in consequence of the damage;
- (ii) interest lost by the Insured in consequence of such impaired collections;
- (iii) additional expenditure necessarily and reasonably incurred in tracing and establishing the amounts of accounts receivable; and
- (iv) collection expenses in excess of normal collection costs, incurred in consequence of the damage.

Where there is proof that a loss covered by this Policy has occurred, but the Insured cannot accurately establish the total amount of accounts receivable outstanding at the date of damage, such amount shall be computed as follows:

- (a) Determine the total amount of accounts receivable outstanding on the last working day of the fiscal month which ended twelve months before the beginning of the month in which the damage occurs.
- (b) Calculate the average increase or decrease in the monthly total amounts of accounts receivable outstanding on the last working day of each of the twelve months immediately preceding the month in which damage occurs.
- (c) The amount determined under paragraph (a), increased or decreased by the percentage calculated in accordance with paragraph (b) shall be deemed to be the total amount of accounts receivable outstanding at the time and date of the damage.
- (d) The amount determined under paragraph (c) shall be adjusted as may be necessary to provide for any demonstrable variance from the amount so determined occurring before but during the month in which the damage occurs; due consideration also being given to normal monthly trends in receipts.

There shall be deducted from the total amount of accounts receivable, however established, the amount of such accounts evidenced by records not lost or damaged, or otherwise established or collected by the Insured, and an equitable amount to provide for doubtful debts.

Item No. 8 – Temporary or Alternative Accommodation

The insurance under this item indemnifies You for the reasonable cost of providing temporary or alternative accommodation, meals and transport for residents and employees following closure or evacuation of whole or part of the Situation by order of a competent public authority as a consequence of damage or threat of damage insured by this Policy.

The indemnity under this item also extends to cover those costs incurred in returning residents and employees to that Situation when declared habitable or relocating to a permanent Situation.

The indemnity payable under this item shall be limited to those costs incurred or arising within the Indemnity Period during which temporary or alternative accommodation expenses are incurred and whole or part of the damaged property remains uninhabitable.

Should any costs payable under this item be recoverable by any other means then the amount payable to you shall be so reduced.

Item No. 9 - Contractual Fines and Penalties

The Insured is indemnified with respect to fines and penalties for breach of contract and the amount payable as indemnity hereunder shall be such sum(s) as the Insured shall be legally liable to pay and shall pay in discharge of fines and/or penalties incurred in consequence of the damage, for non-completion or late completion of orders, inability to meet contract specifications or cancellation of orders.

Item No. 10 - Rent Payable

The insurance under this item is in respect of rent and other expenses payable and insurable by the Insured in accordance with the terms of any lease agreement and the amount payable as indemnity hereunder shall be such sum as the Insured shall be legally liable to pay and the lessor shall be legally entitled to receive during the Indemnity Period under the terms of the lease.

Item No. 11 - Rent Receivable

The insurance under this item is limited to the loss of rent receivable (including amounts due for services rendered and recoverable expenses) and the amount payable as indemnity hereunder shall be the amount by which rent (including amounts for services rendered and recoverable expenses) received or receivable during the Indemnity Period shall fall short of the amount which it may be reasonably estimated would have been received during that period had the damage not occurred including the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the loss of rent (including amounts for services rendered and recoverable expenses), less any sum saved during that period in respect of the charges or expenses payable out of rent as may cease or be reduced in consequence of the damage.

Item No. 12 - Severance Pay

The insurance under this item is limited to such further additional expenditure beyond that recoverable under Clause (a) of Item no. 3 as the Insured is obligated or has agreed to pay under industrial awards, determinations, decisions or agreements for severance pay and/or in lieu of notice to employees whose services are terminated during the Indemnity Period in consequence of the damage.

Loss as insured by this Policy resulting from interruption of or interference with the Business in consequence of damage to property in the vicinity of the Situation caused by a peril, damage as a result of which is insured hereunder, which shall prevent or hinder the use thereof or access thereto, whether the Situation or property of the Insured therein shall be damaged or not, shall be deemed to be loss resulting from damage to property used by the Insured at the Situation.

Sprinkler Installations – Applicable to Owned Premises or Installation for which the Insured is responsible

The Insured warrants that in such of the Situations as are protected by an approved installation of automatic sprinklers, automatic external alarm signal and automatic alarm signal connected with a fire brigade station, in or on the premises, due diligence shall be used so that the same shall at all times be maintained in good working order.

The Insured further warrants that provision will be made for the regular maintenance of the installation in accordance with Australian Standard AS 1851 Part 3 Automatic Sprinkler Installation by the installing engineers or firm or, failing this, by a person or organisation who must be approved by the Insurer to carry out such maintenance.

Notice of all alterations and additions to the automatic sprinkler installation shall be given by the Insured to the Insurer as soon as reasonably practicable.

Where the sprinklered Situation is leased to a tenant and the lease provides that the tenant shall provide for maintenance of the installation, any failure so to do will not prejudice the rights of the Insured, provided that the Insured, upon becoming aware of the failure, shall either immediately provide for maintenance of the installation or immediately give notice in writing to the Insurer and on demand pay such reasonable additional premium as the Insurer may require.

Where the Insured or a tenant responsible to provide for maintenance of the installation enters into an agreement for maintenance with a contractor and such agreement provides in substance that the Insured or tenant shall indemnify and/or hold harmless and/or release from liability the contractor in respect of loss, destruction or damage which may occur as a result of any peril insured against by this Policy, the insurance hereby shall not be prejudiced by the Insured or the said tenant agreeing to such provision.

The Insured's officer responsible for insurance shall, upon becoming aware of such agreement, inform the Insurer as soon as reasonably practicable and a reasonable additional premium will be paid if required by the Insurer.

Subrogation

- (a) Any person claiming under this Policy shall at the request and at the expense of the Insurer do and concur in doing and permit to be done all such acts and things as may be necessary or reasonably required by the Insurer for the purpose of enforcing any rights and remedies, or of obtaining relief or indemnity from other parties to which the Insurer shall be or would become entitled or subrogated upon the Insurer paying for or making good any destruction or damage under this Policy.
- (b) Recoveries, whether effected by the Insurer or the Insured, shall be applied, net of the expense of such recovery, first to the satisfaction of the Insured's loss in excess of the claim paid under this Policy (disregarding the amount of any Deductible applicable), secondly to the Insurer as

reimbursement of the amount(s) paid in settlement of the Insured's claim and thirdly to the Insured in satisfaction of any Deductible amount applicable. Recovery from reinsurance shall not be deemed a recovery for the purpose of this paragraph (b).

Termination of Cover under Section 2

If during the currency of this Policy the Insured:

- (a) permanently discontinues or ceases to carry on the Business or if the Insured's proprietary interest in the Business ceases otherwise than by death; or
- (b) (being a corporation) is placed in liquidation, provisional liquidation, under official management, under the control of a receiver and manager or if control over its assets is assumed by a receiver; or
- (c) (being a natural person) becomes bankrupt,

then the insurance under Section 2 shall cease unless its continuance is admitted in writing by the Insurer. Such termination of cover shall not apply if any of the events stated in clauses (a), (b) or (c) are caused by loss, Insured by Section 2 of this Policy, resulting from interruption of or interference with the Business in consequence of damage to property used by the Insured at the Situation.
