

Important Notices

Please read these notices before completing the Proposal Form.

Your duty of disclosure

Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If you do not tell us something

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Claims Made Policy

The Policy is issued on a claims made and notified basis. This means that the Policy only covers the Insured for claims first made against the Insured during the Period of Insurance and notified to us during the Period of Insurance.

Section 40(3) of the Insurance Contracts Act 1984 may provide additional rights at law. That section provides that where the insured gave notice in writing to the insurer of facts that might give rise to a claim against the insured as soon as was reasonably practicable after the insured became aware of those facts but during the period of insurance, the insurer is not relieved of liability under the contract in respect of the claim, when made, by reason only that it was made after the expiration of the period of insurance.

Retroactive Date

The Policy does not provide cover in relation to the provision of the Professional Services or the conduct of the Professional Business prior to the Retroactive Date.
